

List of Corrections

This report dated October 2006 contains several corrections made after an earlier version (October 18, 2006) was printed in limited quantities. Please see the page footer for the report date.

- Spelling, grammar, punctuation, font and layout mistakes were corrected throughout the document.
- Some maps were modified slightly to maintain consistency in colour and legend.
- Figure numbers were corrected for Figures 7-18.
- Table numbers were corrected in the text throughout.
- Inside front cover: the Oxford County website address was corrected.
- Preamble (page i): signature added.
- Acknowledgements (page iv): updated to include recent funding partners.
- Page 10, Section 3.2.1: the following text in brackets was added to the end of the first sentence “(9.7% upland + 2.8% wetland)”. The same addition was made to the sentence on Page C-19, Section C.5.1.
- Figure C.2 was changed to show a better example of a riparian meadow.
- Page 12, Table 3: another line added to show 9 criteria met.
- Page 35: second paragraph omitted.
- Table and Figure numbers changed in the Appendices (e.g. in Appendix, Table 5 becomes Table C.5).
- Figures 2-6 in Appendix F renumbered.
